PRESSURE ON DENMARK

Lansing Expects Treaty for Sale of Islands Will Soon Be Ratified.

COPENHAGEN, via London, Aug 25.—
Secretary of State Lansing believes that
the treaty providing for the sale of Danish West Indies will be ratified by the
United States Senate during its present
session, according to a cablegram to-day
from the Secretary to Dr. Maurice F.
Egan, the American Minister. The cablewram reads in cart.

gram reads in part:
"The United States Government denies that any pressure has been put on the Danish Government for the sale of the islands, and so far as I know there is nothing to show that the Senate will not ratify the treaty before the end of the

The Landsthing, or upper house of the Danish Parliament, to-day adopted an order of Hans Edward Thompson order of the day declaring that if the sale of the Danish West Indies to the and freed the man on both sales of the atlantic led to the disclosure yesterday that the two men are not only officially after the war the sale shall be settled by a general election.
